

2022 Australian Commonwealth Games Team

Triathlon Australia Nomination Criteria

1 Introduction

(a) Scope

This Nomination Criteria (**Criteria**) explains how Triathlon Australia (**TA**) will nominate Athletes to Commonwealth Games Australia (**CGA**) for consideration for selection in the 2022 Australian Commonwealth Games Team (**Team**) to compete in the men's and women's individual triathlons and the mixed relay triathlon.

(b) Objective

- (a) The primary objective of this Criteria is to nominate Athletes to CGA whom TA considers have the greatest potential of winning medals in triathlon events at the 2022 Commonwealth Games (**B2022**).
- (b) The men's triathlon event, the women's triathlon event and the mixed relay are separate events and different considerations may be relevant in nominating Athletes (according to this Criteria) to maximise the prospects of achieving TA's stated objective for B2022 as set out in **clause 1.2(a)**.

(c) Application

- (a) TA may only nominate Athletes to CGA for consideration for selection in the Team in accordance with this Criteria.
- (b) The Triathlon Australia Elite Selection Committee (**TAESC**) has been appointed by the TA Board to administer and implement this Criteria.
- (c) This Criteria is issued by the TA Board. TA must provide, or otherwise make available, this Criteria to all Athletes.
- (d) If any TA person is unavailable to fulfil his/her role as described in this Criteria, the TA Board may authorise a delegate to fulfil this role.
- (e) CGA has the exclusive authority to select nominated Athletes to the Team.

- (f) Subject to this Criteria, and in particular but not only **clause 11.1**, the terms of the CGA Team Nomination and Selection By-Law (**By-Law**) are incorporated by reference into this Criteria. TA must provide, or otherwise make available, the By-Law to all Athletes.
- (g) This Criteria will take effect from the date it is released and will cease to have effect at the conclusion of the Games.
- (d) This Criteria applies to:
 - (a) all Athletes;
 - (b) TA; and
 - (c) CGA.

2 Eligibility for Nomination

- (a) TA will not nominate an Athlete unless, as at the Nomination Date, TA is reasonably satisfied that the Athlete:
 - (i) is an Australian Citizen;
 - (ii) is a current member of TA;
 - (iii) has not breached the CGA Anti-Doping By-Law unless the athlete has already been sanctioned for the breach and completed any sanction imposed;
 - (iv) has not by their actions or omissions brought themselves, TA, CGA or the Team into disrepute or censure;
 - (v) has pre-signed the 2022 CGA Team Membership Agreement; and
 - (vi) if requested by the National Performance Director (NPD), agree to and sign the 2022 TA Athlete Agreement.
- (b) An Eligible Athlete is an Athlete that meets the requirements in clause 2(a) above and who is on the Long List under clause 3.

3 Long List

- (a) For the purpose only of identifying prospective members of the Team, TA or CGA may maintain a Long List of Athletes.
- (b) For the avoidance of doubt, membership of TA or the CGA's Long List does not increase, decrease or otherwise affect an Athlete's prospects of being nominated by TA, or being selected by CGA, to the Team.

4 Qualification of Athlete Quota Positions

- (a) TA may only nominate Athletes to CGA for consideration for selection to the Team where, under CGA's open allocation process, CGA has assigned TA Athlete quota positions.
- (b) TA may not nominate more Athletes than the number of athlete quota positions awarded to TA by CGA.
- (c) TA may (but is not obliged to) nominate the maximum number of Athletes that are permissible by CGA. The mixed relay team will be made up from nominated Athletes.

5 Nomination Criteria

- (a) For the purposes of nomination to CGA for consideration for selection to the Team, Eligible Athletes may be nominated by:
 - (a) Automatic nomination; or
 - (b) Discretionary nomination.
 - (b) An Eligible Athlete will be nominated by automatic nomination if they meet any of the following criteria:
 - (a) Win the Elite Draft Legal Sprint Distance race (1st Overall) at the 2022 Gold Coast Triathlon (3 April 2022).
 - (i) Should the Elite Draft Legal Sprint Distance race at the 2022 Gold Coast Triathlon be altered from the sprint distance swim/cycle/run format, it will be void and will not apply for the purposes of automatic nomination.
 - (ii) An assessment will be made at 30 days and 7 days from race start on viability of athletes' ability to travel in consideration of border restrictions.
 - (iii) Based on the assessment of border restrictions in place, TA reserves the right to void the race for purposes of automatic nomination.
- OR**
- (b) Place in the top ten (10) in the 2022 WTCS – Yokohama.
 - (i) If multiple Athletes meet this criteria then the automatic nomination will go to the highest finisher at 2022 WTCS – Yokohama.
 - (ii) Should the 2022 WTCS Yokohama be altered from the standard distance to the sprint distance swim/cycle/run format, it will still be used for the purposes of automatic nomination.

- (iii) Should the 2022 WTCS Yokohama be altered from the standard distance swim/cycle/run format (other than a sprint distance race as outlined in **clause 5.b.ii**), it will be void and not apply for the purposes of automatic nomination.
- (c) If the automatic nomination race referenced in **clause 5.2(a)** is voided for the purposes of nomination, the following will apply;
 - (i) The two (2) highest finishing athletes who place in the top 10 at the 2022 WTCS – Yokohama will achieve automatic nomination.
 - (d) If automatic nomination is not achieved in one or both events, Athletes may be nominated via discretionary nomination under **clause 5.3**.
- (c) Any remaining position/s not nominated automatically, may be nominated via discretionary nomination.

In exercising its discretion to nominate Athletes to CGA for consideration for selection to the Team, the TAESC may consider any matter or combination of matters it deems relevant in meeting the primary objective outlined in **clause 1.2** including performances in races over the duration of the TA Qualification Period.
