OFFICIAL TOUR PACKAGES**  
28 JULY - 8 AUGUST 2022

# WELCOME FROM COMMONWEALTH GAMES AUSTRALIA

On behalf of Commonwealth Games Australia and our Australian Team for the Birmingham 2022 Commonwealth Games, welcome to our Family & Fans Tour.

We are delighted to partner with SportsLink Travel to offer the opportunity for the families, friends, training partners, and Australian sports fans the option to sit together, cheer together, stay together and play together at the Birmingham Games.

In the past, most families and friends of Australian Team Members, along with general sports fans, travel independently to the Games. They sit separately in the stands, stay in separate hotels and don't gather formally as fans of the Australian team. This is something Commonwealth Games Australia is addressing by providing a seamless service.

And for the families of prospective team members, our 'Selection Guarantee' means we remove the stress of waiting for team selection... and the 'what happens if...'

With families and fans unable to travel to Tokyo and many other national and international sporting events in 2020 and 2021, we hope that you will be able to join us in Birmingham for memories of a lifetime.

A full travel service is available for flights, stopover, add-on tours and day trips. SportsLink Travel staff, in conjunction with Birmingham-based agents and suppliers, will provide the best experience possible.

Due to limited supply of accommodation and minimum night requirements, these package durations are set and can only be altered in limited circumstances. 'Ticket-only' package options are not available at this time.

As at September 2021, the venues and details have not been confirmed, however we are looking at various supporter hotels and local venues to host our events for family and other fans to come together to watch sessions that you may not have tickets for and enjoy key moments of the Games.

We are planning a range of special events, including Opening and Closing Ceremony parties, official team functions, team member celebrations and more.

# BIRMINGHAM, ENGLAND

BIRMINGHAM IS LOCATED IN CENTRAL ENGLAND, MAKING IT EASILY ACCESSIBLE FROM LONDON AND MOST OTHER MAJOR CITIES.

Once at the heart of the global Industrial Revolution, the city is now leading the way in culture, shopping, dining and more, and is host of the Birmingham 2022 Commonwealth Games.

From the adrenaline of the Birmingham 2022 Commonwealth Games to the sound of leather on willow at Edgbaston Stadium, in the West Midlands, sport is just the beginning.

Follow in the footsteps of Shakespeare in Stratford-Upon Avon, or discover creative inspiration in Coventry, UK City of Culture.

Savour Michelin-starred dining from farm-to-fork and satisfy your sweet tooth at the home of Cadbury in Birmingham, or head over to the Balti Triangle for the Midland's best-loved dish.

Kick back under a blanket of stars at the Peak District National Park, unleash your inner shopaholic, or soak up the sounds of Two-tone music in its birthplace.

The Bull Ring is a major shopping centre in central Birmingham. When combined with Grand Central, to which it is connected via a link bridge, it is the United Kingdom's largest city centre based shopping centre and has been an important feature of Birmingham since the Middle Ages, when its market was first held.

From the set of Peaky Blinders to the founding fathers of the Premier League, the West Midlands is one dramatic destination.

# BIRMINGHAM 2022 SPORT-SPECIFIC PACKAGES

THE FOLLOWING PACKAGES CATER FOR FAMILY & FANS OF EACH SPECIFIC SPORT.

The packages outline the various accommodation and ticketing options included in each package, as well as upgrade options.

The accommodation nights included in the package are based on the competition dates.

Packages generally commence the day before the first session and end the day or two after the last session. This allows everyone to attend supporter and/or team functions held either the night of, or the day after the end of competition, where held.

While all properties have required us to book and pay for the full 12 night duration of the Games, we have split these up to provide cost-effective sport specific packages of between 4 - 12 nights duration outlined in the following pages.

For sports with shorter durations, additional nights can be added to your package as required for people who wish to stay longer to get a full Commonwealth Games experience.

All packages include the full list of inclusions as outlined earlier, including accommodation, tickets, merchandise, social events, 24/7 support and access to pre-departure travel services for flights, stopovers and additional travel bookings.

# INTERNATIONAL TRAVEL & COVID-19

WE UNDERSTAND THAT MANY ARE RELUCTANT TO COMMIT TO TRAVEL AT THIS TIME. THE FOLLOWING INFORMATION IS CURRENT AS OF SEPTEMBER 2021 AND WILL HOPEFULLY ALLOW YOU TO MAKE A DECISION BASED ON THE CURRENT CIRCUMSTANCES.

## Departing Australia

The Australian Federal Government has indicated that international borders will open to travel once 80% of the Australian adult population are double vaccinated, which is expected by the end of November 2021.

## Arrival into the United Kingdom

Australia is currently considered a **green** listed country. These current settings require all travellers 12-years and over to produce a negative COVID-19 test result within three days prior to departure, and have another COVID-19 test two days after arrival into the United Kingdom. With these current settings, there is no quarantine requirement unless there is a positive COVID-19 test result.

## United Kingdom restrictions and lockdowns

The United Kingdom Government lifted virtually all of their domestic restrictions on 19 July 2021, allowing free movement of all citizens and no limitation on gatherings, including full crowds at sporting events and no requirements for social distancing or wearing of masks.

## Vaccination requirements

Qantas has announced that they will require passengers to be vaccinated in order to travel with the airline. It is expected that many other airlines will also follow suit. The Australian Government may also require this to depart the country. The United Kingdom does not require people travelling from green list countries to be vaccinated. Anyone wishing to travel may be required to be vaccinated and provide proof they meet the airline/government requirements.

## Quarantine requirements on return to Australia

The Australian Federal Government is currently reviewing the quarantine process for international arrivals into Australia. Home quarantine is being considered and may be allowed by August 2022, but this is not guaranteed. Quarantine and COVID-19 testing on return to Australia will be as per the Australian Federal Government requirements at the time and may vary between States and Territories. Should quarantine be required in a designated facility, this will be at your own expense.

## Travel insurance

Travel insurance is highly recommended for everyone travelling. Travel insurance is not included in the tour packages, but information about travel insurance options can be provided on request, including any COVID-19 related cover or limitations.

### FAMILY & FANS TOUR TRAVEL GUARANTEE

If Australian and United Kingdom international borders are not open by 8 February 2022, six months prior to the end of the Commonwealth Games, anyone who has booked a package will be able to cancel their booking and receive a 100% refund on all funds paid.

# SPORTSLINK TRAVEL TESTIMONIALS

"My family travelled with SportsLink Travel to numerous events during my career since 2004 including multiple Olympics and World Cups. The parties they had at Australia House for the teams at the London Olympics in 2012 and after the hockey final on the Gold Coast in 2018 were a great way to celebrate after finishing competition. Having the ability to interact and meet parents and supporters from other sports is a highlight. I would certainly be keen to be involved in Birmingham 2022 and would highly recommend SportsLink Travel for family and friends travelling to an event"

**Mark Knowles**

Australian Team Flagbearer – Gold Coast 2018 Games  
Four-time Commonwealth Games Gold Medallist

"We have been travelling with SportsLink Travel to various events over the years to follow our two daughters with the Hockeyroos. They take all the worries away and provide a wonderful international experience"

**Scott Fitzpatrick**

Father of Madison & Savannah Fitzpatrick

"We have worked with Paul Kelly and SportsLink Travel since 2016. I was directly involved with Paul during the FIBA Men's Basketball World Cup in China in 2019, where I observed first-hand his willingness to go 'above and beyond' in every way to satisfy the needs and requirements of both BA and those travelling in his group. A trusted advisor and supplier, led by a person with integrity and determination to do things the right way."

**Ned Coten**

Former President, Basketball Australia
